From

Sri V. Krishnamurti, B.A.,
Assistant Secretary, Board of Revenue(Excise)

Sri V.N.Kudva I.C.S.,
Member, Board of Revenue and Commissioner of Commercial Taxes.

****

REFERENCE:

The Board submits that the Deputy Commissioner of Prohibition(Enforcement) North in his reference cited has reported that the Van M.S.P 5672 of Bellary circle was inspected by the Motor Vehicle inspector on 18-4-51 who has pointed out certain defects. These were not rectified when the vehicle was produced before him for the second time on 1-10-51. The Motor Vehicle inspector has remarked under date 1-10-51 that the mechanical condition of the vehicle was satisfactory but has pointed out certain defects. He is of the opinion that the defects noticed during the two inspections should be carried out urgently in the interest of economy and material saving.

The District Prohibition has stated that no repairs were carried out so far due to the constant use of the van for raids. Further he has stated that the van was placed at the disposal of the Collector, Bellary for election work from 20-12-51 to 3-1-52. when the van was returned to the District Prohibition Officer, he has noticed that the main leaf of the rear spring plate was broken and that this part has to be replaced immediately. The District Prohibition Officer, has submitted an estimate for Rs.730/-from a local firm.

The Deputy Commissioner of Prohibition(Enforcement) North has further reported that the District Prohibition Officer has stated that all the six tyres and six tubes require replacement. The District Prohibition Officer, Bellary was asked to send separate proposals in Board's Proceedings 1031/51 dated 8-8-51 for the replacement of tyres and tubes after two months and now the District Prohibition Officer, Bellary has renewed his proposals. The Motor vehicle Inspector agrees that all the six tyres and six tubes require immediate replacement as they cannot be repaired or retreaded for further use as the casings are not strong enough after retreading.

The cost of 6 tyres and 6 tubes works out Rs.2112/- and the repair charges as per estimate works out to Rs.730/- and the Deputy Commissioner of Prohibition(Enforcement) North has therefore recommended that a sum of Rs.2900/- may be sanctioned to the District Prohibition Officer, Bellary for the purchase of 6 tyres and 6 tubes and for the repairs to be carried out to van MSP 5672 of Bellary District.

In the above circumstances, the Boards requests that the Government may be pleased to sanction an amount not exceeding Rs.2900/- (Rupees two thousand nine hundred only), for the purchase of six tyres and 6 tubes and for the repairs to be carried out to van MSP.5672 of Bellary District.
